

REMARKS

In the application as filed, the Applicants submitted a request to transfer the sequence listing from related applications 10/288,340 and 09/623,548. This request was apparently not considered by the Patent Office as applicants received a Notice to Comply. In response to the Notice to Comply, Applicants submit herewith a sequence listing for this application.

The undersigned hereby states that the content of the attached papers and the computer readable copy of the Sequence Listing, submitted in accordance with 37 C.F.R. § 1.821(c) and (e), respectively, are the same.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **500862001602**. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: February 23, 2004
